(c) and (d) The large and medium scale industries have already taken measures by installing effluent treatment plant and air pollution control systems. All such units located at Hazira, Udhana and Atul have installed pollution control systems. For small scals units located in GIDC (Gujarat Industrial Development Corporation) Estates at Vapi, Ankleshwar and Sachin, GIDC has already worked out a time bound programme for providing an effluent collection and disposal system.

(e) Does not arise.
